# ABOUT

DIBA BES is a leading provider of Occupational Health and Safety (OHS) training courses, accredited by SACPCMP, SAQA, and HWSETA. We offer both accredited and customised courses to meet diverse client needs.

Our accredited OHS courses are nationally recognised, complying with the latest industry standards. They provide the essential knowledge and skills needed for workplace demands and are ideal for those seeking a nationally recognised qualification.

We also offer customised OHS courses tailored to enhance specific OHS knowledge and skills, perfect for individuals who wish to learn more about OHS without pursuing a formal qualification.

Our courses are delivered by experienced trainers using various methods to ensure an engaging and practical learning experience. We are committed to high-quality, relevant training that promotes workplace safety and health.

At DIBA BES, we strive to foster a culture of safety and health. Contact us today to learn more about our accredited and customised OHS training courses and how we can help you improve your OHS knowledge and skills.

## ACCREDITATIONS

The South African Qualifications Authority (SAQA) is the oversight body of the NQF and the custodian of its values and quality character.

HWSETA stands for the Health and Welfare Sector Education and Training Authority. It is a statutory body established in terms of the Skills Development Act of 1998 with the mandate to ensure that the health and social development sectors have adequate and appropriately skilled workforce to provide quality services to the South African population.

Continuing Professional Development (CPD) encompasses formal, non-formal, and informal learning to enhance knowledge, skills, and competencies for personal and professional growth, employability, and societal contribution.
